**Attach a photo of your item(s). *For planning purposes, so your item(s) are displayed to their best advantage, it is very important that you submit a photo or sketch.*** It would be helpful to also know the color of your quilt backing. When taking your photo, please turn up a corner of the quilt so the backing color can be seen. The picture will also be used for identification purposes and will not be returned. You may photograph the finished item or the work in progress. Sketches are acceptable, so long as the item can be recognized by the sketch. You will be assigned a Depot for delivery and pickup of your item(s) for the show. Quilts may not be delivered to or retrieved from the show.

To add interest and sparkle to our quilt show, the Quilt Show Committee is seeking to display the item(s) you submit grouped in categories with like items.
