

**Name:** Rosalie M  
**Fabric Designer or Line:** Kaffe Fassett and Daisy Kingdom.  
**Project Name:** Summer Riot  
**Size of Project:** 42" x 42"  
**Story about this quilt:** I had a pile of precut flower 5" squares. I noodled around with the layout and then found the six Daisy Kingdom seed packets at a garage sale to add.

**Name:** Teresa K  
**Book/Pattern Inspiration:** Wilderness wildlife  
**Project Name:** Driving for Critters  
**Size of Project:** 48 x 67  
**Story about this quilt:** This was a very labor-intensive quilt. It took me 51 hours to stitch out the embroidery blocks, 18 hours to stitch the blocks together, and make the back, 14 hours to do the quilting, 2 hours to do the binding, for a total of 85 hours. A labor of love for Bill and Carla Duffy who are

lifelong friends

**Project Name:** Oliver's Birthday Banner  
**Story about this quilt:** After being inspired by Linda G, I have decided to make my little neighbor, Oliver a "birthday banner" each year. He is infatuated with garbage trucks, so that was this year's party theme. His dog and mine also made an appearance in the design. I got the pattern from Etsy. I put loops with thumb tacks for hanging, but his parents have decided to have it framed instead.

**Name:** Theresa B  
**Story about this quilt:** These little mermaids are not quilts, but it was what I could do with my back out.

Book/Pattern Inspiration: Heritage Garden by Sandi Ray.  
Project Name: Unicorn Magic  
Size of Project: 82.5 x 99  
Story about this quilt: This quilt was a request of a co-worker for her daughter. It turned out she had another vision, so I made 2 smaller quilts for her. She died before she could receive them. But with the help of many persons at the retreat I was able to finally get those other 2 quilts to her surviving husband and daughter.

Book/Pattern Inspiration: Christie Frey  
Fabric Designer or Line: Windows are made with Tula Pink's 'Daydreamer' charm pack  
Size of Project: 32 ½ inches square  
Story about this quilt: First, thank you, Christie F. for zoom teaching this Cathedral Window technique. And thanks to Liz M. for managing the camera in the zoom workshop.  
When I saw the color displacement in a Tula Pink charm pack, I immediately thought of a cathedral window quilt. The challenge: avoid any waste of the fabrics in the charm pack. The black/gray and white/black fabrics came from my stash. Lots of pressed triangles!!

Fabric Designer or Line: In the Beginning  
Project Name: Garden Buddies  
Size of Project: 46 by 55  
Story about this quilt: I made this quilt during the pandemic. My granddaughter, Valerie, asked me who I was making it for. I answered, "I don't know. I just need to make a quilt!" Now it is going to Maui for the wildfire victims.  
Who Quilted this? I can't remember.

Online/Blog Inspiration: Goggle "composition book covers" for instructions.  
Project Name: Selvedges Composition Book Cover  
Story about this quilt: I love using composition books to take notes for the various groups in which I participate. However, the black and white covers are pretty blah and they all look the same. I had this collection of beautiful selvedges and decided to "make" my own fabric. Iron-on letters from the craft store lets me know I'm grabbing the correct journal on my way out the door! I've also made covers out of home dec fabric.

Project Name: Ankeny Family Tree  
Size of Project: 60 x 68  
Special Tool or Ruler? 1/8" ruler, <https://paperpiecedquilting.com/products/cm-designs-add-a-quarter-rulers-add-an-eighth-rulers.html>  
Story about this quilt: I needed to update our family tree since we had added so many new spouses and grandchildren. After taking a miniature piecing class from Giuseppe Ribaldo at Sisters, I decided to make a version of a chandelier quilt using this technique.
